## MacOS X 10.5 & MacOS X 10.6 Eduroam Installation Setup

1-) To check the version of your MacOS operating system, click on "About This Mac" in the "Apple Menu" in the top left corner and check the version.

If your version is **10.5 and 10.6**, follow the steps below. **If not**, look at the other guides.

**2-)** Click "**Open Network Preferences ...**" from the "**Network**" menu in the top right corner of the screen.

	Network
